Child welfare centre in Ambattur upgraded

By Our Correspondent

The Greater Chennai Corporation (GCC) has completed a series of renovation and infrastructure improvement works at the NN2 Child Welfare Centre located on Kalaivanar Street in Ward 79 of the Ambattur zone, with a focus on creating a safer, more engaging environment for young children.

As part of the initiative, a dedicated play area has been set up for children, along with multiple civil and interior refurbishment works inside the centre. The improvements are aimed at enhancing early childhood

development facilities and ensuring that children attending the centre have access to clean, cheerful and functional spaces.

Visuals released by the civic body show newly painted classrooms with colourful wall murals depicting animals, numbers, alphabets and landscapes designed to stimulate learning among young children. Furniture, including tables and chairs suitable for children, has been arranged in classrooms, while ceiling fans and lighting fixtures have also been upgraded. A children's play zone with slides and play equipment has been created, providing a safe recreational

space within the premises.

A Greater Chennai Corporation official said the project was part of a broader effort to strengthen child welfare infrastructure across the city. "Child welfare centres play a crucial role in early education and nutrition. The works at the NN2 centre were taken up to ensure children have a safe, hygienic and stimulating environment," the official said. "Similar upgrades are being planned in other centres under the Ambattur zone."

Residents of the area welcomed the initiative, saying the centre had become more attractive and func-

tional after the renovation. Officials noted that apart from the play facilities, several repair works were also carried out, including interior painting, improvement of doors and flooring, and better ventilation. The renovations were designed to make the centre child-friendly while ensuring durability and ease of maintenance.

The Ambattur zone has been witnessing steady residential growth, increasing the demand for quality public childcare facilities. Civic officials said strengthening neighbourhood-level infrastructure such as child welfare centres was essential to support working families and promote early childhood development.

"With focused investments at the ward level, we aim to ensure that every child welfare centre meets basic standards of safety, hygiene and learning," the official added. The upgraded NN2 Child Welfare Centre is expected to benefit children from Kalaivanar Street and surrounding localities.

Velammal honours honest worker

A felicitation ceremony was held at the Velammal Vidyalaya West School campus to honour Mrs. Padma, a Greater Chennai Corporation sanitation worker, who displayed exemplary honesty by finding 45 sovereigns of gold jewellery and handing it over to the police. During the event, Mrs. Padma was honoured with a shawl and garland. On behalf of the Velammal Nexus schools, she was also presented with the Honesty Service Award and a cheque for Rs. 50,000/-. The programme served as an inspiring reminder to students about the importance and value of honesty in society.

Vhenisa Sree, a 12-year-old student of Class VII from Velammal Matriculation Higher Secondary School, won gold at the Khelo India Women's National Ranking Archery Tournament held at Ambaji, Gujarat. She also bagged a prize money of Rs 2 lakhs.

Deadline extended for inclusion in birth records

THE Tamil Nadu Health Department has extended the deadline for entering names in birth records up to September 26, 2026.

In a letter dated January 27, 2026, informed the Directorate of Public Health and Preventive Medicine that the government has approved the request to allow name inclusion in birth records beyond the earlier time limits.

The extension applies to birth records registered both before and after the commencement of the Tamil Nadu Registration of Births and Deaths Rules, 2000.

The order said that the decision was taken after careful examination of a proposal submitted by the Director of Public Health, citing the need to provide relief to individuals whose names were not entered in birth records within the

prescribed period.

With this extension, eligible persons across the state will have an addi-

tional opportunity to regularise their birth records by adding names till September 26, 2026.
