21 candidates to fight it out in Maduravoyal

By N Rathi Chithra

As many as 21 candidates are in the fray for the Assembly elections in Maduravoyal constituency under whose jurisdiction several areas in Nolambur, Mogappair West Extension, Nerkundram, Vanagaram and Ayappakkam fall.

Prominent among the candidates who are in the race is former Minister and former Deputy Mayor of Chennai P Benjamin of the AIADMK and the sitting DMK MLA K Ganapathy. The Tamilaaga Vettri Kazhagam founded by actor C Joseph Vijay has fielded Rhevanth Charan in the constituency, while the Naam Tamilar Katchi headed by Seeman, which is a recognised State party, has given the ticket to a woman L Revathi.

Among the candidates are as many as 12 Independents including one named K Ganapathy, sharing the DMK MLA's name and initial; and one S Benjamin Moses, sharing the first name of the former AIADMK Minister.

The AIADMK's Benjamin is a resident of S&P Gardens in Nolambur. On the other hand the sitting MLA Ganapathy is a resident of Karam-

bakkam in Porur.

Initially as many as 45 candidates had filed their nominations in this constituency. During scrutiny, the Returning Officer had rejected the nomination papers filed by as many as 24 persons and accepted the papers of 21 persons.

Though it is a multi-cornered contest, on the field it is likely to be a tough battle between the candidates of the DMK, AIADMK and TVK. Among them Rhevanth Charan is a political newbie and resides in T Nagar.

Maduravoyal is a rela-

tively new constituency in the political map of Tamil Nadu. The constituency had come into existence only in 2011 after the last delimitation exercise in which the boundaries of the constituencies were redrawn. In the very first election that the constituency faced, voters had elected G Bheem Rao of the Communist Party of India, who was then backed by the AIADMK-led alliance.

In the subsequently held elections in 2016, Benjamin was elected from Maduravoyal and he went

on to become a Minister in the Cabinet headed by J Jayalalitha holding the School Education Minister. Later following her death in December 2016 and after Edappadi K Palaniswami took over as Chief Minister in February 2017, he was given the Rural Industries and MSME portfolios. In the last elections conducted in 2021, Benjamin lost to Ganapathy.

This time who will emerge as victor shall be known on May 4 when the votes polled on April 23 are counted.

The "Beat the Heat" summer science activity was conducted with enthusiastic participation by Velammal students of classes VI to VIII.

Nolambur resident arrested for cyber fraud, police caution about online trading

By Our Correspondent

A 35-year-old Nolambur resident has been arrested by the Avadi Cyber Crime Wing for his alleged role in an online trading scam that defrauded a Porur-based man of ₹53 lakh, police said.

According to officials, the complainant, Thangapandi (40), a resident of Porur, was lured into the scheme after encountering an online trading advertisement on WhatsApp. Believing it to be a legitimate investment opportunity, he transferred a total of ₹53 lakh over a period of time to multiple bank accounts shared by the fraudsters. After months passed without any returns or communication, he realised he had been cheated and ap-

proached the police.

"Victims are often drawn in by promises of unusually high returns within a short period. These scams are designed to appear convincing, using professional-looking interfaces and constant communication to build trust," said a senior officer from the Cyber Crime Wing.

During the investigation, police identified the accused as Arul (35), a resident of Nolambur. Officials revealed that Arul had opened a bank account in his wife's name and handed it over to interstate cybercriminals in exchange for a commission. The account was then used to route funds collected from unsuspecting victims across different regions.

"Providing bank accounts to unknown indi-

viduals or groups for financial transactions is a serious offence. Even if someone claims ignorance, facilitating such activities makes them complicit in the crime," the officer added.

A special team led by the Inspector of Avadi Cyber Crime Wing tracked down the accused and arrested him. He was later produced before a magistrate and remanded to judicial custody.

Cybercrime officials have used the incident to reiterate the growing dangers associated with unverified online trading platforms. "People must exercise extreme caution before investing money online. Always verify the authenticity of the platform, check for regulatory approvals, and avoid transferring funds to personal or unknown accounts," said

another officer.

Experts also advise citizens to be wary of unsolicited investment offers received through messaging apps and social media platforms. "If an offer sounds too good to be true, it almost always is. Scammers exploit urgency and greed to push victims into making quick decisions without due diligence," the officer warned.

Residents have been urged to follow basic precautions such as conducting independent research, consulting financial advisors, and using only trusted, regulated investment channels. Authorities have also encouraged victims of cyber fraud to report incidents promptly to improve the chances of tracing the culprits and recovering funds.

CMRL's two-part survey focuses on passenger experiences

THE Chennai Metro Rail Limited (CMRL) has initiated a 'customer satisfaction survey' with various transit-oriented questions for the second consecutive year. Passengers can complete the survey on CMRL's official website or via social media platforms until May 10.

The survey will focus on the passenger experience while commuting on the city Metro Rail. As per official intimation, all respondent information and responses will be kept confidential and not used for other purposes.

In the two-part survey, questions in part 1 include operation hours of Metro, frequency of trains, the Metro network suiting passengers' convenience, seamless entry and exit from stations, comfort on boarding trains, effortless navigation while interchanging stations, convenient payment methods and easy access to service information. Part 2 focuses on five aspects, such reliability, customer care, comfort, crowding and security of your train service. And, the survey's last leg is on the three most vital areas of services for the user of public transportation.

Manidhanaeyam candidates do well in TNPSC exam

AS many as 32 candidates trained at the Manidhanaeyam Free IAS Academy have secured places in the final rank list of the Group I services examination for 2025-26 released by the Tamil Nadu Public Service Commission recently. The Commission had notified 72 vacancies on April 1, 2025, for key posts including Deputy Collector, DSP, Assistant Commissioner

(Commercial Taxes), Assistant Director (Rural Development) and Employment Officer. Of 32 successful candidates from the academy, 20 are men and 12 women. K Subathra from Madurai secured the fourth rank in the State, while Lawrence Israel from Coimbatore stood seventh. Notably, 8 candidates trained at the academy are placed within the top 20.

Exposed electricity cables in Mogappair East raise concern

Residents of Mogappair East have flagged a serious safety hazard on Ori Salai, where high-voltage electricity cables have been left exposed along a roadside stretch, posing a potential risk to pedestrians and commuters.

The issue has come to light after locals noticed a cluster of thick electrical cables emerging from a damaged portion of the pavement on Ori Salai. The cables appear loosely coiled, with parts of them extending onto the edge of the road. The surrounding area is in a state of disrepair, with broken concrete, loose soil, and debris scattered around an open cavity from which the cables seem to protrude.

What has heightened concern among residents is the

location of the exposed cables. Ori Salai is a frequently used road within the neighbourhood, with regular movement of pedestrians, two-wheelers, and cars. The absence of any warning signs, barricades, or protective covering has made the situation particularly dangerous. Locals are now urging the TNEB and GCC to take urgent action to secure the cables, repair the damaged section, and restore the road surface.

An emotional romantic drama

BREAKFAST (Accept the Reality) is the latest film from director Ar. Gandhi Krishna, known for Chellamey and Anandha Thanavam. The film stars Bigg Boss fame Raanav and Rosmin in the lead, setting the tone for a simple and emotional romantic drama. The recently released teaser, unveiled by actress Reema Sen, has received a positive response. What stands out is its focus on visuals rather than dialogue, allowing emotions to come through naturally. This approach has been appreciated for its subtle storytelling.

The film's mood is further enhanced by G.V. Prakash Kumar's music, which blends seamlessly with the visuals. The teaser also offers glimpses of key characters played by Sampath Kumar, Kasturi, Archana, Krithik Mohan and Amitha Ranganath. Details regarding the trailer, audio launch, and theatrical release are expected to be announced soon.

Breakfast (Accept the Reality) is written and directed by Ar. Gandhi Krishna and produced by Girija Varadaraj under the banner of Prem Classic Pictures.

Amarkalam to return on big screens

AMARKALAM, the 25th film of Ajith Kumar, is set to return to theatres across Tamil Nadu on April 24, turning into a special moment for fans and cinema lovers. Directed by Saran, the 1999 film was a major turning point in Ajith's career. Known for romantic roles until then, Amarkalam established him as an action hero and helped shape his on-screen image.

The film also holds emotional value for fans, as it marked the coming together of Ajith Kumar and Shalini, who later became one of Tamil cinema's most loved real-life couples. The re-release on April 24, which coincides with their wedding anniversary, adds to the sentiment. Amarkalam remains memorable for Ajith's performance, Shalini's presence, and Bharadwaj's music. Now restored in 4K, the film returns to the big screen, giving audiences a chance to relive the experience. More than just a re-release, it is a nostalgic revisit for fans, celebrating over 25 years of the film.
