114 illegal water suction motors seized in city

THE Chennai Metropolitan Water Supply and Sewerage Board (CMWSSB) seized 17 water suction motors that were illegally connected to water supply lines at different zones in the city (Thiru-Vi-Ka Nagar zone, Valasaravakkam zone, and in Echambakkam under the Sholinganallur zone). A senior CMWSSB official said that inspections were being carried out continuously all over the city to prevent a dip in water pressure and ensure a steady supply. So far, 114 illegal water suction motors have been seized. Notices have been issued to the owners of the premises where the illegal motors were found, warning them of legal action.

Special voter enrolment drive held at Mogappair, Ambattur

By N Rathi Chithra

A special drive to enrol new voters was conducted at educational institutions across Mogappair, Ambattur and surrounding areas on Saturday, October 10, as part of a statewide initiative to bring eligible first-time voters onto the electoral rolls.

The drive, organised by the Tiruvallur District Election Department, was held at Mar Gregorios College of Arts and Science in Mogappair West and Soka Ikeda College of Arts and Science for Women in Ambattur. Similar enrolment camps were conducted at Seven Hills Polytechnic in Vanagaram, Meenakshi Dental College in Maduravoyal and the Government Industrial

Training Institute (ITI) in Ambattur.

The initiative primarily targeted young people who have attained the age of 18 and those eligible to register as voters but whose names are yet to be included in the electoral rolls. Election officials reached out to students at the institutions, providing an opportunity for them to initiate the registration process.

The statewide campaign, spearheaded by the Chief Electoral Officer, Tamil Nadu, emphasised the importance of electoral participation among young citizens. An awareness campaign accompanying the drive carried the message, "18 is more than a number. It's your entry into democracy," highlighting the significance of voter registration as the first step

towards exercising one's democratic right.

Form 6 for new voters

Eligible citizens were encouraged to apply for enrolment using Form 6, the prescribed application form for inclusion of names in the electoral roll. Applications can also be submitted online through the Election Commission's voter services portal at vot-

ers.eci.gov.in or using the ECINET application.

Information on special enrolment camps was made available through the websites and social media accounts of the respective District Election Officers.

The college-based camps were intended to make registration more accessible to young adults, many of whom may be applying to become voters for the first time. Conducting the drive within educational institutions also offered an opportunity to familiarise students with the voter registration process and the importance of participating in elections.

Mogappair, Ambattur and neighbouring localities fall under Tiruvallur district for electoral ad-

ministration, making the institutions in these areas part of the district-level outreach effort.

The initiative sought to ensure that eligible young citizens do not miss the opportunity to register and participate in the electoral process. By taking the enrolment exercise directly to campuses, election officials aimed to reach students at a stage when they become eligible to exercise their franchise.

For many young adults, registration marks their first formal engagement with the electoral system. The campaign's central message was that turning 18 is not merely an age milestone but also an opportunity to participate in shaping the country's democratic future.

MGM Cancer Institute Takes Breast Health Awareness to Neighbourhoods

What if a simple look in the mirror could remind a woman to look after herself?

THIS Breast Cancer Awareness Month (October), MGM Cancer Institute is taking breast health awareness beyond hospital walls and into neighbourhoods, bringing a simple yet powerful message closer to women in their everyday spaces.

MGM Cancer Institute will bring its neighbourhood mirror initiative to communities across the city, creating everyday moments that encourage

women to pause, look at themselves and make their own health a priority. The woman looking into the mirror is not someone else. She is you, and she deserves the same care and attention that you give to everyone around you.

The campaign is built on a simple belief: being brave starts with you. Taking care of your health, being aware of changes in your body and seeking the right medical advice when needed are important

steps towards better breast health.

By bringing the conversation into neighbourhoods, MGM Cancer Institute hopes to make breast health awareness a part of everyday life. The mirrors will serve as a moment of pause, encouraging women to look beyond their reflection and ask themselves if they are giving their own health the attention it deserves.

Dr. Kirti Katherine Ka-beer, Consultant, MGM

Cancer Institute, said, "Women are often the ones who make sure everyone around them is taken care of. With this campaign, we want to remind them to include themselves in that care".

The campaign will also encourage women to understand their breast health, know what is normal for them and pay attention to any unusual changes. When something feels different, seeking expert medical advice can help ensure that concerns are evaluated appropriately. Regular screening, based on individual risk and medical guidance, also plays an important role in breast health.

Through this initiative, MGM Cancer Institute is bringing the conversation closer to the communities it serves, encouraging women to pause, reflect and take a proactive step towards their health.

GCTP sensitise Mogappair college students on road safety

By Our Correspondent

STUDENTS of a college in Mogappair were sensitised to road safety and the importance of adhering to traffic rules at an awareness programme organised by the Greater Chennai Traffic Police.

The programme highlighted the need for responsible driving, wearing helmets, possessing valid driving licences and avoiding traffic violations that could endanger road users.

A police officer said, the Traffic police person-

nel from the V-5 Thirumangalam Traffic Police station participated in the initiative and interacted with students on various aspects of road safety. "The programme focused on the dangers of wrong-side driving, overspeeding and rash driving, which pose a serious risk to motorists, pedestrians and other road users," he said.

According to the officer, the students were urged to wear helmets while riding two-wheelers and ensure that they held valid driving licences be-

fore taking vehicles on the road.

The importance of complying with traffic signals and other road regulations was also emphasised.

A key component of the programme, according to the police officer, was the emphasis on avoiding drunk driving and the use of mobile phones while driving. "Students took a pledge not to drive after consuming alcohol and to refrain from using mobile phones while behind the wheel," he said.

The initiative sought to encourage young people to adopt safe driving habits and understand their responsibility towards fellow road users.

With college students increasingly using two-wheelers for commuting, traffic police stressed the importance of making road safety an integral part of everyday life.

The awareness programme also drew attention to the consequences of negligent driving. Overspeeding, dangerous manoeuvres and driving

against the designated direction of traffic can lead to accidents, injuries and loss of life. Adherence to traffic rules, officials stressed, is essential to reducing such risks.

The session was held on the college campus in Mogappair West, with students attending the programme alongside traffic police personnel. The event was part of efforts to spread awareness among young people about traffic regulations and promote a culture of responsible road use, the officer said.

The programme reinforced the message that road safety is a shared responsibility and that following traffic rules can help prevent avoidable accidents. Students were encouraged to carry the message beyond the campus and motivate their friends and family members to practise safe driving.

The initiative concluded with a call to all road users to follow traffic regulations, avoid risky behaviour and prioritise safety while travelling.

Velammal alumni Pragga, Gukesh, Savitha Sri and Vaishali receive cash awards for outstanding performances

By R Srinivasa Raghavan

CHIEF Minister Joseph Vijay honoured the Indian Chess Olympiad teams with cash awards. R Praggnanandhaa was awarded Rs 15 lakh for his bronze medal showing on the top board for India in Samarkand. Dommaraju Gukesh, who won an individual silver on the fourth board, took home 15 lakhs, which was received by his parents.

Savitha Shri, who attracted a lot of attention with her spectacular show, got 10 lakhs for her efforts. R Vaishali, who will play in the Women's World Championship Match next year, got 10 lakhs for her performance at the Olympiad.

Narayanan Srinath, who was the successful coach of the Open Indian team for the second straight Olympiad, got 10 lakhs for his efforts.

Hope Powers Windies To win

Inspired by Shai Hope's unbeaten century (102), West Indies powered to a six-wicket victory over India in the second T20 International to level the series 1-1 in Ranchi. Sherfane Rutherford gave a good account of himself (84) while knocking off the huge target with 1.3 overs to spare. Three more matches remain to be played.

India set up a big target posting 249-5 in 20 overs. Sanju Samson came to form with a blazing 82 off 41 balls hitting nine fours and four

sixes. Ishan Kishan continued his good run of form, scoring 43 in 22 balls with six fours and two sixes. Shreyas Iyer (40, 18 balls, three fours and three sixes) and Tilak Varma (44 n.o., 18 balls, three fours and three sixes) to take India to a massive score.

West Indies chased the target comfortably. Hope pumelled the Indian bowlers into submission, hitting his knock in 45 balls, laced with six fours and nine sixes. Rutherford was at his sublime best, hitting seven fours and seven sixes in 37 balls. Romario Shepherd came up with an unbeaten 34 in 13 balls, with three fours and three sixes, as Windies aced the chase.

Djokovic Wins 102nd Title

Novak Djokovic won his first title in 2026, triumphing in the China Open, defeating Alex de Minaur 7-6 (3), 0-1, who pulled out of the match with an adductor injury. It was his seventh title and 102nd title overall. Despite not having a good season, Djokovic proved yet again he cannot be discounted from winning the title. Only Roger Federer (103 titles) and Jimmy Connors (109) remain ahead of him.

Djokovic had the satisfaction of defeating Alexander Zverev in the quarterfinals. Zverev had been the best player on the Tour, winning two Slam titles.
